

## Cathy Claunch

Ms. Claunch is on a temporary assignment at NASA Headquarters as the acting NASA Deputy Comptroller, with responsibility for the preparation, tracking, presentation, and defense of NASA's budget. She is also responsible for approval, allocation and monitoring of NASA's funds consistent with direction from Congress and the Administration.

Ms. Claunch is the Deputy Chief Financial Officer at the Johnson Space Center where she is responsible for financial planning and budget execution of the Center resources. Previously, she served as the Senior Financial Officer for the Space Operations Mission Directorate and has worked as a program analyst for both the Space Shuttle and Space Station programs.
